

Community Service Statement

Our Lady's Church
Confirmation Requirement

Due by April 8, 2018

Helping others and our church community is a central theme of Christianity and an important practice to carry into adulthood. Students can choose any of the following service opportunities or find a different option outside the church to complete this requirement. Please name the service and approximately when or how long it was done.

In church options include: altar serving, lectoring, helping at a parish event (cemetery clean up, All Saint's Day, 2nd grade retreat), altar society, or singing at Mass.

Out of church options could be: volunteering at a library or a school, assisting with a sports team or children's event, being a member of a service organization, etc. There is no specific hour requirement and no adult signatures needed.
